II. Basis for Jurisdiction

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation and the amount at stake is more than \$75,000 is a diversity of citizenship case. In a diversity of citizenship case, no defendant may be a citizen of the same State as any plaintiff.

What is the basis for federal court jurisdiction? *(check all that apply)*

☒ Federal question ☐ Diversity of citizenship

Fill out the paragraphs in this section that apply to this case.

A. If the Basis for Jurisdiction Is a Federal Question

List the specific federal statutes, federal treaties, and/or provisions of the United States Constitution that are at issue in this case.

18 U.S. Code Ch. 83 - Sections 1701-1703 (Title 18 Crimes and Misdemeanors)

1701 - Obstruction of Mails Generally

1702 - Obstruction of Correspondence

1703 - Delay or Destruction of Mail or Newspapers

B. If the Basis for Jurisdiction Is Diversity of Citizenship**1. The Plaintiff(s)****a. If the plaintiff is an individual**

The plaintiff, *(name)*, is a citizen of the
State of *(name)*.

b. If the plaintiff is a corporation

The plaintiff, *(name)*, is incorporated
under the laws of the State of *(name)*,
and has its principal place of business in the State of *(name)*.

(If more than one plaintiff is named in the complaint, attach an additional page providing the same information for each additional plaintiff.)

2. The Defendant(s)**a. If the defendant is an individual**

The defendant, *(name)*, is a citizen of
the State of *(name)*. Or is a citizen of
(foreign nation).

b. If the defendant is a corporation

The defendant, *(name)* _____, is incorporated under the laws of the State of *(name)* _____, and has its principal place of business in the State of *(name)* _____.

Or is incorporated under the laws of *(foreign nation)* _____, and has its principal place of business in *(name)* _____.

(If more than one defendant is named in the complaint, attach an additional page providing the same information for each additional defendant.)

3. The Amount in Controversy

The amount in controversy—the amount the plaintiff claims the defendant owes or the amount at stake—is more than \$75,000, not counting interest and costs of court, because *(explain)*:

The amount in controversy could substantially escalate beyond \$75,000 per alleged occurrence, especially when the infractions surrounding the Federal Questions border on criminality. The jury trial selection is necessitated to expose corruption with the bureaucracies in question.

III. Statement of Claim

Write a short and plain statement of the claim. Do not make legal arguments. State as briefly as possible the facts showing that each plaintiff is entitled to the damages or other relief sought. State how each defendant was involved and what each defendant did that caused the plaintiff harm or violated the plaintiff's rights, including the dates and places of that involvement or conduct. If more than one claim is asserted, number each claim and write a short and plain statement of each claim in a separate paragraph. Attach additional pages if needed.

These claims are precise, specifically the actions of purposeful non compliance of delivery of certified mail that was addressed to the Health and Human Services Office in Salt Lake City, Utah, essentially exposing the medical opinion of a Veterans Administration physician that I personally neither met, nor was subsequently examined under compensation and pension examination protocol. The medical opinion written by the Veterans Administration physician in question was wholly without merit, but yet stood as the conclusion against thorough legal and medical conclusion dictation that clearly granted complete compensation with medical evidence submitted to the Veterans Administration back in 2007.

IV. Relief

State briefly and precisely what damages or other relief the plaintiff asks the court to order. Do not make legal arguments. Include any basis for claiming that the wrongs alleged are continuing at the present time. Include the amounts of any actual damages claimed for the acts alleged and the basis for these amounts. Include any punitive or exemplary damages claimed, the amounts, and the reasons you claim you are entitled to actual or punitive money damages.

Briefly and pointedly, I am an Honorably Discharged Veteran of the United States Navy, and my goal is to make a shameful example of unethical behavior within both of these entities. Currently, the 100 percent service connected disability pay rate for a single veteran is \$3,831.00 per month. The claimed aggravations began in 1992. The total for all arrears payments due is 396 months x \$3,831.00 per month equaling \$1,571,076.00. Punitive damages enforced upon both entities should be \$1,000,000.00 per each violation of 18 U.S. Code - Ch. 83 Sections 1701 - 1703 (Title 18 - Crimes and Misdemeanors). These exemplary and punitive damages should total

V. Certification and Closing
